Briefly describe the program proposal (new or change) and provide a justification:

This proposal serves three purposes.

First, in response to the Faculty Senate’s recent recommendation regarding clarifying the acceptance of “C” grades toward a graduate degree, we have added language to our program descriptions.

Second, we have clarified an error regarding the number of units listed for an internship (EDS 441).

Third, we have added language that was only included in the Master’s description regarding requirements to file appropriate forms to Ed.S. section as well.
