TAC Charge: Develop strategic guidelines that recommend a dress code for online courses.

Goal:

1. Provide students with recommended dress code requirements for online courses to ensure a high-quality learning environment for all involved.

Recommendations:

1. Students should ensure that they are fully dressed for participation in online courses.

2. Attire should consist of items that would be worn in a typical classroom setting.

3. Pajamas, lingerie, and clothing with obscene or disparaging remarks are not considered appropriate classroom attire.

4. To ensure a high-quality visual presentation, it is recommended that students wear clothing that contrasts with their skin tone.
