“From Eugenics to Designer Babies: Engineering the California Dream”

Student Round Table Discussion

Friday October 21st
12:00 Noon – 1:00 pm
Forest Suite – 2nd Floor
University Union

Students, share your views of Eugenics!
Facilitated by Dr. Stan Dundon, Department of Philosophy

Who was Charles Goethe?

How should we deal with his legacy?

What does Eugenics have to do with Bio-Engineering?

What can we learn from the history of Eugenics?

Are we continuing similar practices today?

Eugenics: The study of hereditary improvement of the human race by controlled selective breeding: Sterilization of the unfit, restrictions on immigration, caps.
