our promise

In educational travel, every moment matters. Pushing the experience from "good enough" to exceptional is what we do every day. Our mission is to empower educators to introduce their students to the world beyond the classroom and inspire the next generation of global citizens. *Travel changes lives.*

"Our tour guide was phenomenal; he went above and beyond my expectations. His knowledge of the area and the history behind it was most impressive."

trip itinerary - 8 days

Jan 8, 2018: Overnight Flight

Depart from the United States.

Jan 9, 2018: Paris

Arrival in Paris. Airport transfer included. Paris has inspired so many artists, writers and poets that even on a first trip, visitors feel they already know something about the city. Climb the bell tower of Notre Dame, walk through the Latin Quarter or explore the vast Louvre. The problem with Paris is not what to see, but what to leave until your next visit—it's impossible to depart without planning a return. An arrival briefing with your ACIS Tour Manager will cover the ACIS concierge service—instructions on whom you can contact during your stay for anything you might need, be it booking Louvre tickets or directions to the Sacré-Coeur Basilica. You will also receive a carnet of Métro tickets, allowing access to Paris' extensive public transport network, as well as vouchers for one meal, tickets for a boat ride along the Seine, city maps and more. Paris lies at your feet, enjoy exploring! (D)

Jan 15, 2018: Departure

An ACIS Tour Manager will meet you at your hotel for the transfer to the airport for return flight to the United States. Optional Enhancements and Extra Nights: Enhance your independent tour experience with the services of an ACIS Tour Manager who provides educational commentary and handles tour logistics. Further immerse yourself in the culture and wonders of La Ville Lumière with an extra night in Paris. You may opt to upgrade your Seine experience with an illuminated dinner cruise, reveling in traditional French cuisine and music as you glide past some of the city's most notable landmarks. (B)

This is a preliminary itinerary for your group.

Travel Changes Lives

To learn more, we invite you to read our free ebook, "The Making of a Five-Star Future."
<http://pages.acis.com/ebook>

Can travel make a difference in students' futures? It certainly can and does every single day. In fact, we surveyed 930 former ACIS travelers to see how their tours abroad as young adults influenced their choices in education and paved a way for future careers. Many of them credit travel as a defining moment in their adolescence, and below is a recap of our findings.

education

81%

of those that traveled in middle school or high school continued their studies at the college level compared to the national average of 68%

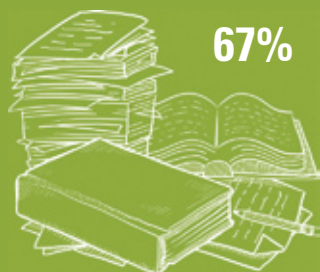

of travelers ,who went on to college said their travel experience influenced their field of study.

57%

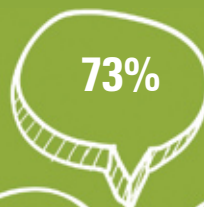

of respondents were motivated to study abroad during college.

language skills

67%

of students continued to study foreign language in college.

of ACIS travelers say they speak one foreign language fairly well compared with 18% of the American population.

personal development

94%

felt more independent after their trip.

78%

saw an increase in their problem solving skills.

92%

noted improvement in their interpersonal skills.

65%

have traveled overseas again since their ACIS trip.
