COURSE REQUIREMENTS:

ATTENDANCE Instructors have the right to administratively remove any student who, during the first two weeks of instruction, fails to attend any two class meetings (for courses that meet two or more times a week), or one class meeting (for courses that meet once a week). It is therefore especially important that students contact instructors in advance regarding absences during the add/drop period. However, do not assume instructors will turn in official drops. It is the responsibility of each student to officially drop any scheduled courses he or she is not attending. Failure to do so will result in penalty grades ("WU" or "F").

Attendance Policy: Regular attendance is essential to succeed in this class. More than THREE unexcused absences WILL affect your final grade. Entering class late (more than five minutes) three times will count as ONE ABSENCE. Make sure that you sign the attendance sheet. Mondays I will check the Sentieri supersite to see that you have logged in and done the required work. Skipping the online hour will equal one absence.

Professoressa CARLE'S WEBPAGE <http://www.csus.edu/indiv/c/carleb/> Assignments, Web Resources and Links

STUDENT OUTCOMES : • The focus of this course is to introduce culture and facilitate language acquisition through listening, speaking, comprehending, reading and writing.

• You will learn basic phrases to perform communicative tasks (e.g. greeting, listing, identifying, agreeing, disagreeing, especially in the present and the past) and will begin to create/respond in the language in culturally appropriate ways.

• Culture includes how to interact with native speakers and introduction to history, geography, politics and literature.

• You will develop the ability to think critically by analyzing linguistic structures and reflecting on and evaluating cross-cultural differences.

COURSE METHODS: In class= face to face and online course • Extensive oral exercises, dialogical inter-action, group work, partner drills, role-playing, dictations (dettati), reading and writing exercises from v-book.

• WEB CT= Sentieri supersite. Even though we meet face to face for three hours a week the entire course is online, that is, the vbook, the language laboratory including audio, video, listening, comprehension and language games and more. Your class time should REINFORCE what you acquire through the online course.

STUDY METHODS: You must be prepared to put in a minimum of 30 minutes a day for Italian study. An hour is ideal, more than this is outstanding. Language learning includes absorbing countless details little by little. If you do not put in time from the beginning on a REGULAR basis, you will not learn the language. It is impossible to cram or study exclusively before tests. I expect you to try your best! What you put in is what you will get out of a course! If you are looking for a course to fill your schedule, do not take this class. It requires professional commitment.

ITALIAN PEER PRACTICIONERS (IPPS): You are required to meet with one of the Italian IPPS (tutors) in 2032 Mariposa Hall if you receive a C or less on any test and to help prepare for oral exams. You are warmly encouraged to take advantage of our tutors for conversation practice, help with grammar and cultural exchanges! Hours to be announced

INTERNET ACCESS FOR ONLINE PORTION OF THE COURSE: Students can use any of the IRT managed student computer labs on campus. Visit the University Labs website (<http://www.csus.edu/uccs/labs/generalinfo/about.stm>) for information about locations, hours, and resources available. The Practice Lab in 2002 Mariposa Hall exists solely to support students of foreign languages. Please check hours at the beginning of the semester.

Keep in mind that language is rooted in culture and each language reflects a different culture. Language structures our thought patterns. To learn a new language is also to learn how to think differently.

B 899-800 points
C 799-700 points
D 699-600 points
F 599 and below

POINT DISTRIBUTION:

Use your book for this and learn from your own mistakes.

(Break will be taken for longer courses, however) If you are more than three times late this will count as an absence. Leaving class before the end of the hour is disruptive. Please remain attentive during group exercises, you will greatly profit from others' mistakes. Walking in and out of class during group activities is NOT acceptable.
- 4) You should complete all online activities even though we may not always go over them in class. In class we will work from the e book and selected exercises. Students are expected to be familiar with the University's Academic Honesty, Policy & Procedures. The policy on Academic Honesty and other information regarding student conduct can be accessed from the University Policy Manual (<http://www.csus.edu/umannual/index.htm>).

CSUS POLICY REGARDING ACADEMIC HONESTY:

Students are responsible for:

1. Understanding the rules that preserve academic honesty and abiding by them at all times. This includes learning and following particular rules associated with specific classes, exams, and course assignments. Ignorance of these rules is not a defense to a charge of academic dishonesty.

2. Understanding what cheating and plagiarism are and taking steps to avoid them. Students are expected to do this whether working individually or as part of a group.

3. Not taking credit for academic work not their own.

4. Not knowingly encouraging or making possible cheating or plagiarism by others.

FOR FURTHER INFORMATION PLEASE VISIT THE Library's Plagiarism Website (<http://library.csus.edu/content2.asp?pageID=353>).

IMPORTANT: It is not possible to cover every detail in the book in class. I will emphasize the most important elements but you are responsible for studying the text thoroughly and in depth and for using the online system to the fullest extent to practice your pronunciation, etc. You are expected to come to class prepared and to have already studied the sections we focus on each day. Once you have carefully read this syllabus, you are free to drop the course if you cannot adhere to these ground rules. Please also note that we will not always follow the order of the book and we will omit a few details.

Finally: If you attend class on a REGULAR BASIS and do all assigned work, pass the tests, you will NOT fail the class. Please do not hesitate to see me or the tutors if you have domande (questions) difficoltà (problems) or simply wish to chiacchierare (chat) about things Italian. I am especially interested in seeing you progress and firmly believe that you can learn from your mistakes!
