STUDENT OUTCOMES: • The focus of this course is to introduce culture and facilitate language acquisition through listening, speaking, comprehending, reading and writing.  
• You will learn basic phrases to perform communicative tasks (e.g. greeting, listing, identifying, agreeing, disagreeing, especially in the present and the past) and will begin to create/respond in the language in culturally appropriate ways.  
• Culture includes how to interact with native speakers and introduction to history, geography, politics and literature.  
• You will develop the ability to think critically by analyzing linguistic structures and reflecting on and evaluating cross-cultural differences.

COURSE METHODS: • Extensive oral activities, dialogical interaction, role-playing, dictations (dettati), reading and writing exercises. Internet audio will also be used for comprehension drills and cultural lessons. • WEB CT = SAM and online work in the language laboratory including audio, video, listening, comprehension and language games.

STUDY METHODS: You must be prepared to put in a minimum of 30 minutes a day for Italian study. An hour is ideal, more than this is outstanding. Language learning includes absorbing countless details little by little. If you do not put in time from the beginning on a REGULAR basis, you will not learn the language. Itís impossible to cram or study exclusively before tests. I expect you to try your best! What you put it is what you will get out of a course! If you are looking for a course to fill your schedule, do not take this class. It requires professional commitment.

ITALIAN TUTORS: You are now required to meet with one of the Italian tutors in 2032 Mariposa Hall if you receive a C or less on any test and to help prepare for oral exams. You are warmly encouraged to take advantage of our tutors for conversation practice, help with grammar and cultural exchanges!

Tutors and Hours to be announced. Hours to be posted at tutoring center

Keep in mind that language is rooted in culture and each language reflects a different culture. Language structures our thought patterns. To learn a new language is also to learn how to think differently.

***Attendance Policy: Regular attendance is essential to succeed in this class. More than three unexcused absences WILL affect your final grade. Entering class late (more than five minutes) three times will count as ONE ABSENCE.*** Make sure that you sign the attendance sheet. Mondays I will check Quia to see that you have logged in and done the required work. Skipping the online hour will
equal one absence.

4) You should complete all assigned online exercises even though we may not always go over them in class. In class we will work from the textbook. Do not hesitate to come and see me if you need help and if you have done work which we have not corrected in class, or which I have not collected.
