Need Help Paying for College?

If you plan to return to school during Fall 2014 or Spring 2015 and anticipate needing financial aid assistance, then keep reading.

February is Financial Aid Awareness Month and the financial aid staff will be available to help you complete your FAFSA or Dream Act application.

March 2 is the priority filing date to ensure full consideration for limited funding - such as Cal Grant, State University Grant and Federal Work Study.

Is this your first time filing for aid? If you have completed 24 units or more at Sac State we encourage you to file your FAFSA by February 21. This will allow time for Sac State to electronically send a Cal Grant GPA verification on your behalf to CSAC by the March 2 deadline.

New for 2014-2015 - by filing the FAFSA or Dream Act application you will also be considered for the Middle Class Scholarship (MCS). This award is designated for middle class families who have a household income of up to $150,000.

Please visit our website for more information at www.csus.edu/aid.
