Important Message Regarding Repeated Coursework

An important reminder regarding Repeated Coursework. Federal aid may be awarded only once for a previously passed course. Our review of your enrollment indicates that you are repeating courses that may impact your financial aid award. Starting January 12th, you will have the opportunity to revise your enrollment during late registration.

The University’s current unit enrollment cap is set at 18 units, for most students. After Census (February 20), the Financial Aid Office will verify and determine financial aid eligibility based on your current enrollment.

For more information on the Repeated Coursework Policy go to www.csus.edu/aid/policies.

Sincerely,
