The California Energy Commission is looking for a qualified candidate for the Siting, Transmission and Environmental Protection (STEP) division to help shape California's critical energy future. The STEP division ensures that needed energy facilities are authorized in an expeditious, safe and environmentally acceptable manner. We prepare environmental documentation for the Commission as required by the California Environmental Quality Act (CEQA). To attain our objectives, the division maintains a committed and creative staff of experts in more than 20 environmental and engineering disciplines. The division's range of technical expertise allows it to perform balanced independent evaluations of complex and controversial projects. If energy is your passion, or if you feel compelled to help mold our energy infrastructure for a renewable future, then we encourage you to apply.

DUTIES/RESPONSIBILITIES: Under the direct supervision of the Land Use Unit Senior, the Energy Analyst will participate in analyses of average difficulty assessing land use, traffic and transportation, socioeconomic, or visual resource implications for energy facility siting cases and planning studies. The incumbent will assist Planners by gathering data, drafting analyses, and providing support at workshops.

DESIRABLE EXPERIENCE/QUALIFICATIONS: Candidates should have excellent writing, editing, communication and organization skills, as well as the ability to manage multiple assignments with varying priorities. Candidates should have general knowledge of CEQA, the Commission’s Siting Regulations and California’s diverse environment. The incumbent must have proficient computer skills using word processing, spreadsheet and table/graph programs, electronic mail, internet, and will be required to have the ability, as well as flexibility to travel for participation in site visits, public workshops and hearings.

WHO MAY APPLY: Eligible candidates who are current state employees with status in the above classification or lateral transfers from an equivalent class, former state employees who can reinstate into this class or persons who are reachable on a current employment list for this classification. Appointment is subject to the provisions of the SROA process: SROA/SURPLUS/REEMPLOYMENT candidates are encouraged to apply and must attach a copy of their status letter in order to be considered. Applications will be screened and the most qualified may be contacted for an interview.
Interested applicants must submit a completed Standard State Application (Form STD. 678) with an original signature, to the contact/address listed below. Electronic applications will not be accepted. You must clearly indicate the basis of your eligibility (i.e., list, transfer, SROA/Surplus, reinstatement, etc.), RPA #760-297 and Position #760-5837-011 in the “Explanation Section” of the STD. 678.

Please Note: Possession of the minimum qualifications will be verified prior to the interview and/or appointment. If it is determined an applicant does not meet the minimum qualifications, the application may be forwarded to the State Personnel Board for review and the applicant’s name may be removed from the eligibility list.

SUBMIT APPLICATIONS TO:
California Energy Commission
Attn: Jonelle Scott (RPA 760-297)
1516 9th Street, MS-3
Sacramento, CA 95814
