SacCT: Gerontology Student Information Center
(For majors, minors, and graduate students in Gerontology!)

SacCT is the Program’s PRIMARY MODE of COMMUNICATION with students, so it is important that you check the Gerontology Student Information Center regularly! If you don’t, you’ll miss out on a lot of important information!

The Gerontology Student Information Center includes:

- ANNOUNCEMENTS about events & deadlines.
- PROGRAM NEWS and UPDATES
- DISCUSSION threads of interest to all students
- EMAILS from faculty, staff and other students

Students should feel free to post announcements and begin discussions as well!

A NOTE ABOUT EMAIL IN SacCT:

Emails sent through SacCT will go to recipients’ SacCT mailboxes. To ensure that you get messages quickly, set up SacCT to send messages to your regular email* by following these steps:

- Log in to SacCT (http://online.csus.edu) using your saclink username and password
- In “My SacCT,” click on “My Settings” at the top, right-hand corner of the page.
- In the “My Profile” tab, click on “edit profile.” Add your email address.
- In the “My Tool Options” tab, check the box to “forward all mail messages to the email address in my profile.”

*SacCT emails sent to your regular email are “read-only.” Replies must be sent from SacCT!

NEVER MISS ANOTHER PIECE OF IMPORTANT INFORMATION!!!

If “Gerontology Student Information Center” does not appear in your SacCT course list, please contact Cheryl Osborne with your name and saclink username. She will enroll you ASAP.
