With this application, please:

1. include transcripts (unofficial transcripts are sufficient).
2. identify a government faculty sponsor one will be assigned by the department.
3. submit a proposal of no more than two typewritten, doubled-spaced pages outlining your plans for a one-semester required activity: (1) a student teaching assignment within the Government Department, (2) an internship approved by the department internship coordinator, or (3) a research project in political theory, American institutions, or a relevant field.

*Note: A final evaluation of the semester's activity is required, and must be submitted to the department chair's office before the end of the last week of classes in the semester in which the award is made.*

***DEADLINE:***  
***Noon on Friday, April 24, 2009***  
***Government Department Office, Tahoe Hall 3104***
