Q. **How many applications did you receive for the Fall 2015 term? How many students do you plan to admit?**  
A. We received over 490 applications; plan to admit 80.

Q. **How do you rank students with the same point total?**  
A. Candidates with the same point total are ranked using the Nursing GPA; then TEAS score if needed.

Q. **When will I receive my admission decision?**  
A. Candidates ranked 1-170 will be notified in **late April** before the May 1 University, Intent to Enroll deadline. We will post a specific date on the Traditional BSN website after April 15. Candidates ranked 171 or above, based on student-reported data, will be notified **Friday, April 17 after 5 p.m.** Please check back on the Traditional BSN webpage for updates on the admission process, [http://www.csus.edu/HHS/nrs/programs/undergraduate/traditional/](http://www.csus.edu/HHS/nrs/programs/undergraduate/traditional/). Due to human resource limitations, please do not call the School of Nursing. Thank you!

Q. **What should I do if I haven’t received my nursing admission decision by my registration date?**  
A. Register for the courses you would take if you were not selected for admission to the nursing program. **Do not miss your opportunity to register for courses!**

Q. **I am a “new” transfer student. Do I need to return the University, Intent to Enroll by the May 1 deadline?**  
A. Yes, this is a critical deadline. Failure to complete the University ITE by the May 1 deadline will result in your application being withdrawn from consideration for admission to the University and the nursing program (no fee required, not a promise to enroll), [www.csus.edu/admissions/ite](http://www.csus.edu/admissions/ite).

Q. **If I am an Alternate, should I return my University, Intent to Enroll by the May 1 deadline?**  
A. Yes, this is a critical deadline. When you receive your admission decision, please check your Alternate number. If you are Alternate 1-50, submit a “yes” intent pending news from the School of Nursing. This will ensure your University admission is not cancelled (no fee required, not a promise to enroll), [www.csus.edu/admissions/ite](http://www.csus.edu/admissions/ite).

Q. **What is the number of the last Alternate selected Fall 2014?**  
A. 44 (usually mid-twenties).

Q. **Are Alternate numbers assigned after the “selected” students?**  
A. Yes. If we admit 80 students, Alternate number 30’s rank in the applicant pool would be approximately 110.
Q. **How long do you keep the Alternate list?**
A. Usually through the first week of instruction.

Q. **If selected, am I guaranteed admission to the nursing courses?**
A. Yes, placement in your nursing courses is guaranteed! It is your responsibility to enroll in any remaining corequisite courses.

Q. **If selected, do I get to choose my clinical section?**
A. We regret students are not allowed to choose their clinical section—no exceptions.

Q. **If selected, when do I register in courses?**
A. You may register for non-nursing courses on your assigned registration day, [http://www.csus.edu/registrar/registration](http://www.csus.edu/registrar/registration). The nursing staff will register you in your nursing courses mid-June.
