To pay for this item, enter the amount and the other requested information, and click on the ‘Add to basket’ button.

9. You will need to click “Checkout” to continue. The amount showing is the remaining balance due for the semester. You will be able to change the amount you would like to pay at the next step.
10. On this screen you can change the amount you would like to pay towards your debt.

11. Select which payment method you are using. After selection, click “Continue Checkout.”
