August 6, 2013

Dear Residence Hall Students,

As we welcome you to a new semester at Sac State, we would like to take this time to remind you about one critical aspect of MOVE-IN DAY, Friday, August 30, 2013. We expect residence hall parking on MOVE-IN DAY to be a challenge. You can help mitigate congestion by following the simple procedures outlined below. We are asking for your cooperation on this very busy day so that you, your family and your fellow residents can help make MOVE-IN DAY an easy and well-organized experience.

A parking permit will not be required on MOVE-IN DAY in Lot 2. This includes residence hall spaces, as well as student and faculty/staff spaces in Lot 2. Be aware that a valid Sac State parking permit will be required in all other lots on campus on MOVE-IN DAY. Courtesy daily parking permits valid in any student parking lot, including all parking structures, will be available at the UTAPS information table in the Housing courtyard. For your convenience, if you purchased a semester permit online and you chose the option "pick up" you will be able to pick up your permit at the UTAPS information table near the American River Courtyard (ARC) from 7:30am to 4:00pm. Residence hall parking permits are available for purchase on MOVE-IN DAY at the UTAPS information table in the Housing courtyard (checks and credit cards only) and at the UTAPS office in Folsom Hall. The UTAPS office will be opened for sales until 5:30pm on MOVE-IN DAY. To purchase a permit online, go to www.csus.edu/utaps and read the Online Parking Services section. Remember, a parking permit will be required on the first week of classes and thereafter.

UTAPS Parking Officers will be in the vicinity monitoring parking lots and available to answer your questions. Although parking enforcement is lenient on MOVE-IN DAY, Parking Officers will issue citations to vehicles at their discretion. Park only in designated parking spaces. Do not park on the grass, red zones or in disabled spaces without a disabled parking placard registered to you. If you park in a Hornet Drop-Off Zone, you are allowed 30 minutes only. This is intended to give other families the opportunity to also unload belongings close to their designated residence hall. It is not recommended that RVs, U-Haul trailers or other large vehicles taking up more than one parking space be driven to MOVE-IN DAY as there is very limited parking. Anyone driving a vehicle taking up more than one parking space must contact the UTAPS office ahead of time at (916) 278-7275 or parking@csus.edu, to make the appropriate parking arrangements.

Reminder: Residence Hall parking permits are only issued to persons who live in the Residence Hall complex. Residence Hall parking permits are valid in the Residence Hall lot, Lot 2 student section, Lot 10, Lot 14 and Parking Structure 4. See our Off-Peak Parking periods on the UTAPS website (http://www.csus.edu/aba/utaps/Parking/Regulations.html) for times when Residence Hall parking permits are valid outside of the parking areas mentioned above. If purchasing a permit online, remember that you want to purchase a "Res Hall" permit, not a "Student" permit.

AGAIN, WE WELCOME YOU TO SACRAMENTO STATE!
