Subject: Fidelity Vendor Presentation Scheduled

Representatives from Fidelity Investments will provide vendor presentations on Wednesday, November 19th in the University Union – Summit Room, at 9:00 a.m. and 2:00 p.m.. Both sessions will consist of a 30-minute PowerPoint presentation as well as assistance with the online enrollment process. The approximate length of each session including question and answer is one hour. Attendance at the vendor sessions is considered release time with supervisor approval.

Individuals who may have missed the previous four sessions can benefit from this session. All representatives have been asked to provide investment education regarding the TSA program as well as assistance with the online enrollment tool provided by AIG Retirement Manager, the CSU program administrator. You do not have to enroll with Fidelity to benefit from the presentations.

We encourage individuals to please register for the vendor sessions to ensure appropriate room capacity. However, individuals who are unable to register are welcome to attend. To register go to www.csus.edu/hr/TSAsessions.htm. This will be the last vendor presentation this year. Opportunities for additional presentations and on campus investment education and counseling will be provided throughout the year. For additional information contact Mary Ford, Benefits Manager, at fordmr@csus.edu, or call 916-278-6213/86213.

Managers and supervisors are asked to provide this information to employees who do not have access to campus broadcast announcements
