CALIFORNIA STATE UNIVERSITY, SACRAMENTO
NEEDS PART-TIME INSTRUCTORS

Listed below, by college and department, are subject areas for which there is a continuous need for part-time instructors to supplement departments’ applicant pools.

A master's degree in the subject area is normally the minimum requirement, although a doctorate is often preferred (and ABDs may be considered). Supplemental degree requirements are listed with the subject area. Teaching experience in the subject area is generally highly desired and may be required. Additional qualifications may be required by individual departments. Salary will be dependent upon qualifications and relevant experience.

Applicants should send to the appropriate department or college (1) a letter of application, stating their interests and qualifications, and (2) a current resume or curriculum vita:

Department of [specify]
California State University, Sacramento
6000 J Street
Sacramento, CA  95819-6032
Attn: PT Instructor Pool

California State University, Sacramento is an Affirmative Action/Equal Opportunity employer and hires only those individuals who are lawfully authorized to accept employment in the United States.

The person holding this position is considered a mandated reporter under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.

CRIMINAL BACKGROUND CHECK
This position may be designated as sensitive and may require a Criminal Background Check. The University reserves the right to make employment contingent upon successful completion of a Criminal Background Check.

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, California State University, Sacramento has made crime reporting statistics available online at [http://www.csus.edu/aba/police/Documents/clery/2013cleryfinal.pdf](http://www.csus.edu/aba/police/Documents/clery/2013cleryfinal.pdf). Reported crimes that occurred on campus, in certain off-campus buildings or property owned or controlled by Sacramento State, and on public property within or immediately adjacent to and accessible from the campus, during the last three years, are included. The report also includes institutional policies concerning campus security, alcohol and drug use, crime prevention, the reporting of crimes, sexual assault and other safety matters. Print copies are available in the Library, and by request from the Office of Public Safety and the Office of the Vice President for Student Affairs.
