Course Description

An examination of the religious and spiritual dimensions of selected films from around the world. The cinematic arts are examined in relationship to religious and spiritual concerns, concepts, and values.

HRS 183 fulfills undergraduate General Education Area C2.

Course Content and Learning Objectives

By the end of the course, students should be able to analyze cultural, spiritual, and religious themes in the global selection of films. Students will examine films by learning to interpret the cinematic elements of character, gender, dialogue, image, mise en scène, lighting, and music. Students will identify and critique religious perceptions in film and interpret the cultural significance of each represented world religion and spiritual theme.

In this online learning course students practice reading and study skills and, with assistance from the professor, improve critical thinking and questioning abilities. With face-to-face and online contact with the professor, and with testing, students will be able to interact, understand and integrate the reading, research, and films for the course into a lifetime of intellectual exploration.

Course Policy for Dr. Jaoudi’s HRS Courses

Intellectual exploration is encouraged: The professor is available for additionally scheduled Office Hours for student reflections, discussions, and questions on the reading and film assignments.

Students are responsible for reading assignments, film study guides, exams, and films, depending on the class syllabus.

Reminder: An online class demands even more self-motivation and discipline than a face-to-face class. For example, there is no professor standing in person reminding
students about an exam; students have to remind themselves of the details of the class conveyed through the syllabus and SacCT. Because many of us are frequently online, there may be an automatic reflex to peruse written instructions. Therefore, be mindful, the online class is different from browsing the net. Enjoy your studies, and be aware of the fact that student success is determined online primarily by student commitment and circumspection.

There are four online exams; see the Syllabus Schedule. The exams are not cumulative. For example, exam #2 begins where the previous exam ends.

Each online exam contains multiple choice and true/false questions based on ideas and vocabulary obtained from notes on lectures, class discussions, hand-outs, reading assignments, and films, depending on the course content. Each exam is open book and contains 30-35 questions. Please check your Syllabus on SacCT for the exact on-line exam times and dates.

For one-on-one walk-in and by appointment tutoring help with SacCT, contact the Student Technology Center at Hsto@csus.edu/telephone (916) 278-2364/Academic Computing Resources building Room 3007.

***** *****

PLEASE READ CAREFULLY:
Students are required to take exams in a University Computer Lab http://www.csus.edu/irt/Labs/locations.html insuring assistance with any technology issues. If a student does not take the exams in a University Computer Lab, he/she takes full responsibility to resolve any technical issues on their own. Keep in mind that this means the student is responsible for following instructions and a reliable Internet connection. If a student’s connection fails, there is no second chance to take the exam. To repeat, please take the exams on campus to insure you do not receive a zero on an exam. Do not contact the professor concerning any technological problems - please contact the Service Desk (ARC 2005) at servicedesk@csus.edu or 278-7337.

It is the student’s responsibility to note answers given to the online test questions, in order to benefit from the responses after the exam.

There are no make-up exams; if an exam is not taken, the student is automatically assigned an F grade. Therefore, make sure the exact dates and times of exams are duly noted.

There is no extra credit.

At no time is it appropriate to ask the professor to increase a grade in order to accommodate an individual desire for a higher GPA without matching grade performance.
A student may drop themselves from the class during the official student drop period. After the official drop period ends, any drops, withdrawals, or incompletes, will only be considered for faculty signature, if there is documented evidence of an unforeseen emergency, death, or surgery. Invalid reasons include: Not being able to keep up with the reading, receiving a poor grade on an exam(s), work schedule, moving to an apartment, or going on vacation.

Students with disabilities who require special accommodation must provide disability documentation at SSWD, Lassen Hall 1008 (916) 278-6955. Students with special testing needs must provide the appropriate forms at least two weeks prior to an exam in order to schedule with the Testing Center.

In HRS 152, HRS 155, and HRS 183, each exam is 1/4 of the grade.
