

## Books Available for Review

### Newsletter for Philosophy and Feminism

The following is a list of books available for review for the Newsletter. If you are willing to commit to writing a book review for the Newsletter, please contact me ([bellon@csus.edu](mailto:bellon@csus.edu)) and indicate which you are interested in reviewing. I will send you a copy of the book along with reviewer guidelines and contract.

If you are uncertain of your ability to commit to a timely review, then please come back and see what is new when you are able to commit. Reviewing a book takes considerable time and effort where the timeliness of reviews is of particular interest to authors and publishers.

This list is updated fairly regularly, so please check back often. It may be the case that a book which appears on this list has already been distributed for review. In that case, I apologize, and encourage you to consider another book in your area of interest and expertise.

If you would like to review a new book which is not on this list, please let me know and I will request it from the publisher. If you have a new or recent publication which is not on this list and you would like the Newsletter to review it, please request your publisher send me a copy.
