

**Art 20A:Beginning Drawing**  
**Instructor: Andrew Connelly**

**Value scale**

**Objective:** to create two drawings that exemplify a value scale

On Bristol paper create two drawings using pencil

Create three scales going from black to white with even transition. Scales will be oriented horizontally on the page. Dimensions for each are 2"x 2" squares making each scale 2"x20"

For the next drawing create 20"x 14" frame. From left to right create an even grey scale
