1. Choose one of the **additional readings** listed at the end of the **current unit** (see [syllabus](#)). Then adapt and complete the following formulas to provide (a) an overview of the content & (b) an articulation of the overall claim(s). **\*\*Consider the whole work vs. simply the opening pages.\*\***

(a) "[Title X] (,by [author Y],) surveys/ describes/ depicts..." (1-2 sentences)

(b) "Throughout reading, the author argues/emphasizes/ implies that..." (1-2 sentences)

2. Quote three (3) **passages** (2-4 sentences) from different thirds of the chosen reading, each of which provides an example related to the synopsis presented in #1. Then add a brief comment to clarify what precedes and follows each passage, and how each excerpt relates to your synopsis in 1(b).

(a) [1<sup>st</sup> third:]
