Mini-Midterm #1

(neatly handwritten or typed—ONE PAGE MAXIMUM)

Choose & circle **one set** of 2-3 terms listed here, and answer the two questions about them below:

brahmin, karma & unbinding
discernment/wisdom, bodhi & Mahayana
dharma, stupa, & bodhi

1. Compose the **1-2 sentence statement** that specifies most precisely the significance of all three terms in relation to one another, especially as elucidated in secondary sources. You should make clear in your own words to what each term refers, but must also go beyond simply listing the meaning of each term.

2. List **three (3) excerpts** from **different thirds** of **one primary source from the Unit 1**, each of which supports the statement presented in #1 above. The significance of each term should be reflected in at least one excerpt, though the excerpts need not mention the terms explicitly.
