**Unit 1 Test**  
(typed, 1 PAGE MAXIMUM)

Choose & circle one set of 3 terms listed here, and answer the two questions about them below:

Rta, Veda, & mantra  
Āgama, pūja & bhakti  
Śaiva Siddhanta, temple & karma

1. Compose the 1-2 **sentence statement** that specifies most precisely the significance of all three terms in relation to one another. You should make clear to what each term refers, citing relevant page numbers from secondary readings; but you must also use your own words to explain connections between the terms rather than simply listing the meaning of each.
  
  
  
  
  
  
  
  
  
  
2. List **three (3) excerpts** from **different thirds** of **one primary source** (NOT scholarly commentary) from **Unit 1**, each of which supports the statement presented in #1. The significance of each term should be reflected in at least one excerpt, though excerpts need not mention terms explicitly.
