Unit 3 Test

(1 PAGE MAXIMUM—back to back printing OK)

****Type responses directly onto this form, single-spaced, preserving numbering & prompts****

Choose & circle one set of 3 terms listed here, and answer the two questions about them below.
NOTE: you may **NOT** mix terms from the different sets.

Durga, Mahisha, & pauranika
Dasara, state sword, & Mahisha
Navaratri, Durga & yama-damshttra-kala

1. Compose the **1-2 sentence statement** that specifies most precisely the significance of all three terms in relation to one another. You should make clear to what each term refers, **citing relevant page numbers from secondary readings**; but you must also use your own words to explain connections between the terms rather than simply listing the meaning of each.

2. List **three (3) excerpts** from **different thirds of one primary source** (NOT scholarly commentary) **from Unit 3**, each of which supports the statement presented in #1. The significance of each term should be reflected in at least one excerpt, though excerpts need not mention terms explicitly; add commentary if you think the connection is not immediately clear.
