

HRS 151
Unit Test #2
(must be typed-->ONE PAGE MAXIMUM)

Choose & circle **one set of three** terms listed here, and answer the two questions about them below.
NOTE: you may **not** mix terms from the different sets.

vodou, lwa, & priest (in "White Darkness")

creation story, creator God, & Mother Goddess (in "Ogotemmelé & the Dawn of All Things")

ancestors, priest, & civilization (in *Suns of Independence*)

1. Compose the **1-2 sentence statement** that specifies most precisely the significance of all three terms in relation to one another. You should make clear to what each term refers, **citing relevant short phrases and page #s from SHM and/or EB**; but you must also use your own words to explain connections between the terms rather than simply listing the meaning of each.

2. List **three (3) excerpts** from **different thirds** of the corresponding **primary source**, each of which supports the statement presented in #1 above. The significance of each term should be reflected in at least one excerpt, though the excerpts need not mention the terms explicitly.
