California State University, Sacramento
Student Agreement for Off-Campus Learning Experiences

Course Number and Section: 

Course Name: 

Instructor: 

Date: 

1. The student understands the foreseeable personal health or safety risks that may be associated with the off-campus learning experience.

2. It is the student's responsibility to comply with health and safety requirements of the university and the host organization.

3. It is the student's responsibility to participate in health and safety training or orientation activities to minimize any foreseeable personal health or safety risks.

4. It is the student's responsibility to comply with university and host organization policies regarding personal conduct, alcohol, and chemical substances.

5. The student understands that the University does not assume liability for students in off-campus learning experiences.

6. The student understands that the University does not provide liability insurance or medical coverage for students participating in off-campus learning experiences.

I am clearly aware, have read, and have received a copy of the above student agreement prior to my participation in any off-campus learning experience.
