Literature Review Assignment

- Become familiar with the Literature Review Assignment & Rubric (This class handout is also available on the class website)
- First draft due April 6
- Final Draft due April 20
**APA “Familiarization Test”**

- Review & discuss the APA questions
- Q & A
- Based on your particular results you are encouraged to refer to the applicable sections in the APA Manual
Review of Chapters 1 & 2

- **Primary Sources** – what are they and why these instead of secondary sources

- What are the 3 major issues of **empirical studies**?

- The **Writing Process**: What makes it different than other writing you have done and how do the chapters of this book support the process?
Groups (based on sample lit review on p. 119)

- Depending upon your assigned group (A, B, C or D), address the applicable questions on page 9 (i.e., Group A address questions related to A.; Group B address questions related to B., etc.)

- Choose a spokesperson to report back to the whole group in 10 to 15 minutes
Chapters 3 (this week) and 4 (next week online)

- Select a topic
- Identify literature for review
- Organize your literature review
- Analyze the literature
For next week online …

1. Complete the following:
   a. **Topic statement** (see Ch 3, Step 5)
   b. **Rationale** for that statement based on Ch. 3 “14 steps”
   c. **Summary** of 2 articles identified in a.
   d. Briefly discuss these 2 articles in light of Ch 4 guidelines for analyzing literature

2. Submit to djelinek@csus.edu as an email attachment by 11:59 pm on Feb. 15.
For week of Feb 16 online …

1. I will send you email feedback based on your previous week’s submission

2. Based on that feedback develop the following 2 products to bring to class on Feb 23
   a. **Working draft of your reference list**
   b. **Set of note cards or other organizational system detailing specific info about your 2 articles**
For Feb 23 face-to-face …

1. Read Chapters 5 & 6

2. Choose 1 quantitative and 1 qualitative article from your topic area and detail these out in your organizational system

3. Familiarize yourself with the 10 quantitative questions on pp 53-54 and the 10 qualitative questions on p 61

4. Be prepared to critique a quantitative & qualitative article in class
