

Students, Welcome to MyAccountingLab!

MyAccountingLab is a dynamic, interactive eLearning program. Your instructor has requested that you have access to this online program.

To access your MyAccountingLab online course for the first time, you need to register *and* log in. Whenever you want to use MyAccountingLab after that, you just need to log in. You can do both from the same starting point, at www.myaccountinglab.com.

To register for MyAccountingLab

To register, you will need a student access code and a course ID.

If you purchased a new textbook, it should have come with a Student Access Kit that contains a code you can use to register. If you do not have a Student Access Kit, you can purchase access online with a major credit card.
