Final Exam is comprehensive. There will be 8 questions worth 40 points and 1 question worth 8 points with 48 in total possible. Maximum you can score is 40 points.

The exam covers Chapters 1, 2, 5, 6, 11, 12 and 14.1.

GRADING: As announced in the syllabus there is 60% weight for Midterms and 40% weight for the final exam.

To compute your course grade first compute each of your test scores (including extra credit). Add these and call it $X$. $X$ has to be $\leq 180$ points. Let your final exam score be $Y$. Compute $T = [(\frac{1}{3})X + Y]$. 
$T$ is the percentage score to be used to compute your course grade.
