

Art 144 / Project 4 / Final Self-Initiated Project / Wiggins

Project 4: Create an original image combining digital and traditional print methods. Printed output may be digital, traditional, or both.

Duration: 3.5 weeks

Software: Determined by student as needed for project development.

Turn In:

- Written and / or sketched final project proposal
- Research images and sketches contributing to the project
- Files used to develop the digital image
- Final image file. Do not flatten layers. Save your final image as "Your3Initials"Project4.psd
- A minimum of one successful final print, Super A3 (13" x 19") or larger
