

## **Sketchbook Checklist: Project 2**

Sketchbooks contain:

1. 2A (your color corrected photo used for the project)
2. 2B (your photo realistic morph portrait)
3. Photos used for 2B
4. 2C (grid-based portrait)
5. Sketches (if you did sketches during this project)
6. Class notes
7. Handouts (project information, checklists and Photoshop information)
8. You do not need to print out handouts or photos of tutorials - if you print them, store in the rear of your sketchbook / binder.
9. Summary notes outlining **Digital Art** reading assignments (Chapter 2)
