I, _____, Parent of legal guardians of the above-mentioned student, hereby give permission for my child to participate in MESA activities conducted by the University of California. I understand the primary objective of the program is to encourage students to enroll in college preparatory courses and to participate in MESA academic support services, and to become eligible. I also understand that such activities may be available until he/she enrolls at a college or university.

I hereby authorize MESA Program directors, staff and their assistants to engage in the following:

1. To have access to, and to make and receive copies of, my child's academic school records through the completion of the 12th grade. I understand that these records will be kept in strict confidence and will be used to: 1) monitor my child's academic progress; and 2) determine when additional academic support services are needed.
2. To disclose information from my child's academic records to designated representatives of their college and universities, so they may determine my child's eligibility for admission at their institutions, his/her need for special services, and for general use in planning outreach and recruitment activities. These records will be maintained by the University of California consistent with the Federal Family Education Rights and Privacy Act of 1974, applicable state laws and University policies.

I further release the University from any liability on account of injury to or death of my child arising out of my child's participation in MESA activities and hold the University harmless for any damage or cost that may be incurred due to acts of my child during participation in this program.
