#All music majors are required to have broad training in the liberal arts and sciences, which is the core of the University's General Education program. As a suggestion, the Music Major will take one GE course each semester and during the winter term, plus up to two GE courses during the summer. Music majors should consult a General Education Academic Advisor to evaluate progress toward the GE requirements.

Note: Wind and percussion majors who are credential candidates must include at least one semester of marching band (MUSC 142M) as their Large Performance Ensemble experience.
