Dear Prospective Member,

I hope this letter find you well! I would like to introduce myself to you. My name is Jackie Morris-Henderson and I am a Sacramento State Alumna and university employee for over 20 years. I am writing this letter to invite you to join the newly created Black Alumni Chapter at Sacramento State! As a volunteer handling the formation of the Black Alumni Chapter, I am excited about the possibilities for this chapter. I invite you to join me in this exciting new adventure to advance the interests and serve the needs of the Black alumni, students, community and campus members.

Our goal is to share the vision of our education with current and future generations. As you know, education is the key to success. The benefits of joining this organization include professional and social networking opportunities, developing scholarship opportunities for students in our community, and promoting community engagement and activism. The Black Alumni Chapter presents an opportunity to grow in ways that can benefit so many Black Alums and Friends of the university. If you are an alumnus, community, or campus member interested in promoting the mission of the Black Alumni Chapter at Sacramento State, please consider joining our chapter!

To join, complete the attached Black Alumni Chapter application and submit as a soon as possible. If you have any questions, please feel free to call me at (916) 278-6931.

Once we receive your membership application, more exciting Black Alumni Chapter information will be forthcoming!

So, again, welcome to the Black Alumni Chapter family! Your support means we can share our education with current and future generations and share the future for a better tomorrow. Thank You.

Sincerely,

Jackie Morris-Henderson
