## Chemistry Club Meeting

10/8/13

- ❖ Saturday, Oct. 12<sup>th</sup>, our president, Jessica, and treasurer, David, presented a poster on the Chemistry Club at the ACS regional meeting in Santa Clara, CA.
- ❖ Also that Saturday we had a successful booth at the homecoming tailgate before the game. Had a lot of kids come and make slime! Other experiments were the tie-dye chromatography and dry ice and bubbles. A few soda and mentos fountains were shot off as well. Thank you to those who came out and volunteered their time.
  
- ❖ **Next week is National Chemistry week and Mole Day (10/23)!**
  - The Chemistry Club will be hosting Mole Day activities in the lobby of Sequoia Hall on Thursday, Oct. 24<sup>th</sup> from 10am to 2pm. Activities will include periodic table bingo, hands on experiments and there will be cake!
  - Reply to this email if you are available to volunteer at the event or just drop by to join in the fun! You do not have to volunteer for the whole time. A half an hour or one hour would be helpful.
  - If you have any ideas for chemistry/mole related games or activities **please** email [chemistryclub@csus.edu](mailto:chemistryclub@csus.edu)
  
- ❖ Oct. 15<sup>th</sup> there will be a study hall in SQU 452 at 5:30pm

❖ **Next Club Meeting** will be Oct. 22<sup>nd</sup> in SQU 452 at 5:30pm. Hope to see you there!
