- ❖ **Turkey Bowl** is coming up Thursday November 21st at 7pm. It is an event hosted by NSMJC at Country Club Lanes where all the science clubs on campus compete against each other bowling. **If you are planning on attending and are bowling with the Chemistry Club please RSVP by replying to this email.**

This event is also a can food drive, so we are asking that everyone who is bowling please bring at least 2 cans of food with them to the event. If you are not bowling but

would like to still donate you can drop off cans at Dr. K's office SQU 424.

Also there will be an ugly sweater contest, so feel free to wear that ugly sweater from the back of your closet and there will be a vote on who has the ugliest sweater!
