Chemistry Club Meeting

4/15/15

Next Saturday, April 25th, is our Science Day at Shriner's Hospital to do experiments with the kids from 2:30pm-4:00pm. We will meet at Dr. K's office SQU 424 at 1:45 pm.

If you were unable to come to this week's meeting and would like to sign up for the event please email Dr. K, ckyuen@saclink.csus.edu, ASAP.

This meeting we were able to decide on a design for the front of the new club shirt but still trying to decide on a design for the back. If you have any ideas please email them to the club or post them on the chemistry club's face book page.

The end of the school year is coming up and so are club elections for new officers for next year. Starting next meeting the club will start taking nominations for the positions of President, Vice President, Secretary, Treasurer, and Activities Coordinator.

The next club meeting is Wednesday April 29th at 5:30pm in SQU 452.
