Chemistry Club Meeting

9/14/15

Next week on Friday, September 25, the club decided on laser tag for this semester's club bonding event. More information on this event will be coming soon. If you are interested in possibly going please email Dr. Kellen-Yuen at ckyuen@csus.edu ASAP.

Saturday, Oct. 10th, the Chemistry Club will be hosting a workshop during Expand Your Horizons (EYH) for middle school girls. It's one of our largest community outreach events and we will need a lot of volunteers. We have a lot of fun and hope you can come.

- This year the theme for the workshop is Rainbow Chemistry: Experimenting with Colors. If you have ideas for experiments with color please email them to the club email chemistryclub@csus.edu
- **Event time: about 9:45am to 3:00pm**. You can work the whole event or if you can only give a few hours please still come and help out.
- That Friday, Oct. 9th, there will be a lab clean up. Time is still to be determined.

Other Dates to keep in mind...

Friday Oct. 23rd is Mole Day and the Chemistry Club's annual Mole Day Event that includes periodic table bingo, guess the moles of water and more.

Saturday Oct. 24th, Homecoming Football Game and during the pregame festivities, 3-5pm, the Chemistry Club has a table with experiments such as slime, frozen bubbles, and mentos shooters.
