Renaissance Recruitment Rag

What good is sitting alone in your room?
Come join the Renaissance.
Life isn’t over yet, old chum.
Come join the Renaissance.
Put down the knitting,
The rake and broom.
Time to learn something new.
There’s something fun for everyone,
Come join the Renaissance.
You’ll find a class,
A perfect fit.
Come join the Cracker Barrel,
You may meet a kindred spirit.
No use allowing your brain to erode,
Renaissance has it all.
For many good years, we’ve stayed informed.
For many more years, we’ll be transformed.
So THANK YOU, to Renaissance!
