Dear Volunteer,

We are pleased that you have decided to participate in the Sacramento City Unified School District (SCUSD) Volunteer Program! As parents, grandparents, neighbors and community members you have valuable ideas, talents and time to share with our students and our schools.

It is our belief that our volunteer programs are beneficial to everyone involved. Volunteers help foster stronger school/community relationships by creating a common ownership in the success of our schools, as well as, demonstrating the importance of community service to our students.

The SCUSD Volunteer Program provides support and guidance to schools to help them facilitate their parent and community engagement programs. Currently, volunteers work in a variety of capacities: doing work from home; acting as tutors/mentors; providing assistance in the classroom; participating on business/community partnership advisory boards; assisting in a school’s main office or library/media centers and organizing fundraising efforts for school foundations, scholarships, field trips, etc.

This packet includes:

  - A prospective volunteer who has a positive skin test must provide proof of a clear chest x-ray indicating she/he is free of active tuberculosis prior to being allowed to provide supervision or instruction of students.
  An annual questionnaire is required to be completed by the volunteer and reviewed by Health Services to assure they remain without symptoms.

SCUSD Code of Conduct

I. As a Volunteer, Your Role and Responsibilities in the School Are Unique

- **Understand** that your role is a supportive one. The teacher and principal are completely in charge. If the teacher leaves the room, the teacher in the next room assumes responsibility. You must not be left in charge of a classroom.
- **Remember** volunteers are only permitted to work with students on school grounds and under the supervision of certificated staff. Have no outside contact with an individual student unless authorized by administration or parents.
- **Maintain** student confidentiality at all times. Do not discuss any student with anyone except teachers, counselors, and volunteer coordinators.
- **Don’t** make promises you can’t keep. Avoid saying things like “**study hard and you’ll definitely pass the test.**”
- **Use** good judgment and avoid any compromising situations. Work in a room with other people at all times. Never be left alone with one student out of view of other people. **Always** keep the door open. **Always** use adult bathrooms.
- **Strictly** follow volunteer guidelines and discipline practices. Physical discipline is absolutely prohibited. Ask the teacher and volunteer coordinating staff for assistance with problematic student behavior.
- **Report** immediately to a staff person any physical abuse or sexual exploitive behavior towards a student.

II. Volunteers Take Pride in Being Professional

- **Maintain** a constructive attitude. Don’t make negative comments about the school, its personnel or the students to other volunteers or individuals outside the school.
- **Be Prompt** and consistent in your attendance. Teachers depend on volunteers and plan their work accordingly. Students depend on volunteers even more, especially on field trips. **Notify** your school as soon as possible if you are late or absent.
- **Keep** an accurate record of your attendance by signing in each day you volunteer.
- **Dress** and act professionally.
- **Establish** and maintain good and frequent communication with your classroom teacher or volunteer coordinator.
- **Never** be under the influence of drugs or alcohol when with students on or off school grounds.
- **Do not** smoke on school grounds or at any time around students.
- **Do not** lend money, contribute or solicit money for organizations while on school grounds.
- **Do not** use the internet inappropriately by going to websites that are not conducive to a professional or educational environment.
- **Do not** use cellphone in the classroom or at any time around students.

III. Health and Safety Are Always Important

- **Adhere** to district, school, and classroom policies rules and regulations.
- **Refer** any student in need of first aid or any type of medication to the teacher or front office.
- **Learn** and follow fire drill emergency procedures and all school rules.
- **Notify** the principal of any accident you had on school grounds. A written form must be submitted to the principal within 24 hours.

I agree to adhere to the above code of conduct at all times when I am a volunteer at a SCUSD school site or program. I understand that my volunteer status can be revoked at any time.
