Parking
New Student Orientation participants can park on any level of Parking Structure II. Parking regulations are enforced. Be sure to place your Orientation parking permit where it’s visible to the campus parking staff. If you were not able to print your parking permit, go to the Lobby Suite, located on the first floor of the University Union, and ask an Orientation staff member for a parking permit. You should then place the permit in your vehicle.

Check-in
New Student Orientation check-in begins at 8:00am in the University Union, which is located across from Parking Structure II.

As you enter the University Union look for the signs that direct you to the check-in area on the first floor.
