**My Profile**: Click “My Profile” from main menu or from links across top of screen.

**Name** and **User ID**: These values are entered or uploaded by the administrator and should match your saclink account information. You cannot change these values, but the administrator can (contact psychresearch@csus.edu).

**Alternate Email Address**: By default the system will use your saclink email address. We strongly prefer that you use this default, but the system does allow you to specify a different address. **University ID Number**: At this time, we are not requiring this number.

**Phone Number** and **Office**: If you add this info, participants will see it.
