

FORM 2 - Registration for Fall 2009

Optional Extra Classes – small group and individual lessons

Sac State String Project

In addition to the 4:30-5:20 String Project group learning situation, we will be offering, on a first-come-first-served basis, options for more individualized instruction. We will schedule these classes between 5:30 and 6:25 on Monday or Wednesday. Please fill out this form and return it with a \$25 deposit ASAP if you would like to participate in these options. The remaining balance will be due at the September 14th parent meeting. A refund of the deposit will be given for extra classes if we are unable to schedule the class because of a lack of teachers or we do not have at least 3 students for the small groups.

All children would benefit from this instruction and you are encouraged to enroll your child for the most extensive options you find possible. We have many fine teachers this year and will staff as many classes as possible!

We will set the schedule ASAP. All lessons will be completed September to December with the possibility of signing up in November for lessons during the January to May term. Robla School District parents registering for these options will be responsible for picking their child up at CSUS and completing all necessary permission slips with the school district in order to do so.

Prices are in addition to the basic String Project fee. It is possible to sign up for both small and individual lesson options. Classes will be scheduled Mondays or Wednesdays throughout the semester between 5:30 and 6:25.

LESSON OPTIONS:

- #1 Ten 25 minute individual lessons - total cost \$135 (one lesson free)

Once the schedule is made, you are responsible for getting your child to all classes.
