**Staff Voices are Heard:** Campus committees often are involved in making major decisions regarding the entire university. Having staff representation ensures our voices are heard when decisions are made.

**Meet New People, Learn New Things:** Serving on a campus committee not only allows you to meet numerous other faculty, administrators, and students from across campus, but also gives you the opportunity to learn new things about our campus.

**Show Your Campus Spirit:** Volunteering on a campus committee shows your commitment to campus and allows you to show your community spirit.
