Extended Abstract Format

All student extended abstracts must use the following format:

1. Four to six pages of text. The cover page, literature cited section, and figures and tables do not count as text.

2. Use a serif type style such as this which is "courier".

3. Use type size 12.

4. Use one inch margins on sides, top and bottom.

5. Double space all text lines

6. Use the referencing methodology (author, date) in your text that is used in the current journal Annals of the Association of American Geographers.

8. A cover page with the following in the order indicated below:

   Title of Paper
   Author(s) name
   Student Paper Competition
   Association of Pacific Coast Geographers
   63rd Annual Meeting, Arcata, CA
   September 13 - 16, 2000

9. Staple the abstract pages in the upper left hand corner (no covers please)

10. All extended abstracts must be received no later than August 13, 2000.

11. Send four print (nonreturnable) copies of your extended abstract to:

   Dr. Mark Wilson
   Department of Geography
   Humboldt State University
   Arcata, CA  95521

The oral presentation at the meeting will conform to the same guidelines as all papers.

Good Luck!
