Price of commuter pass increases for faculty and staff
The cost of faculty and staff Regional Transit commuter passes will increase from $30 for a six-month pass to $40, beginning July 1.

The commuter pass provides a significant discount for Sacramento State faculty and staff who ride RT buses and light rail. Sac State faculty and staff will pay only $6.67 a month for unlimited ridership,
whereas an unlimited ridership pass purchased from RT costs $100 a month. Fees paid for faculty/staff commuter passes help fund the contract between the University and RT that allows faculty, staff and students to ride RT transportation at a reduced rate. Students pay for the commuter pass through a transportation fee each semester.

Faculty/staff commuter passes can be purchased at the Student Financial Services Center and the UTAPS Office. Passes are effective July 1-Dec. 31, 2012. For more information, visit the UTAPS website at www.csus.edu/utaps/.

Summer office hours
This summer, in an effort to conserve energy, Sacramento State is continuing the practice of a modified work schedule with normal business hours for the campus of 7:30 a.m. - 4 p.m. with a 30-minute lunch break. These hours are effective Tuesday, May 29, through Friday, Aug. 17. As always, authorized supervisors may modify individual work schedules to address special situations as long as these basic hours are covered. It is important that offices are staffed during these announced hours.

As in past summers, this schedule enables the University to realize substantial budget savings by reducing energy consumption during the late afternoon hours when energy demand is highest. The University hopes that this change will also permit many employees to get the most from the longer summer days.

If you have any questions or concerns that cannot be answered by your supervisor or manager, please contact Kent Porter, associate vice president for Labor Relations and Compliance.

Sacramento State employees may voluntarily donate to other employees up to a maximum of 40 hours of sick or vacation leave credits in one-hour increments each fiscal year.
