COMMUNICATION:

TO: IMPACTED MAJORS PRE-MAJOR STUDENTS
FROM: Office of the University Registrar
SUBJECT: Pre-Major Status UPDATE

Change to Expressed Interest Designation

You have been identified as a student who is interested in pursuing admission to an impacted major. The current programs are Impacted: Business Administration; Criminal Justice; Design – Graphic, Interior and Photography; Health Science; Nursing; and Psychology.

Effective August 1, the designation of your pre-major status will be changed to Expressed Interest in the impacted major. For more information about impaction and application to an impacted program please go to the Admissions and Outreach web-site: www.csus.edu/admissions/impaction.html

If you have questions about pursuing a degree program in the impacted major, please contact Academic Advising, Lassen Hall, first floor or by email at: advising@csus.edu

If you are interested in applying specifically to Nursing, you are encouraged to check the Nursing website each semester as there may be changes to the admission criteria. The Spring 2014 supplemental nursing application will be available September 1. The postmark deadline to submit the application is October 1.

Should you have questions regarding this change in designation to Expressed Interest in an impact major, please contact the Office of the University Registrar, HelpLine, 916.278.8088
