Carpool spaces are available Monday – Friday, 7am - 11am. Student carpool permits are valid in carpool and student spaces. Employee carpool permits are valid in carpool and employee spaces. Carpool spaces are enforced as student spaces after 11am in PS1 and PS3. In PS5, EV/Carpool spaces are enforced as such all day.

To utilize carpool parking spaces, you must display your carpool parking permit and arrive in the space with at least one other member of your carpool party. Not doing so may result in a parking citation. If you arrive on campus as a single occupant with your carpool permit displayed, you may park in student spaces with your student carpool permit or employee spaces with your employee carpool permit.

By signing below, the applicants verify that all the above information is accurate to the best of their knowledge and agree to abide by the carpool regulations. For more information on carpool regulations, please contact the UTAPS office at (916) 278-7275 or parking@csus.edu.
