When calling in emergencies, be prepared to provide the police dispatcher with your name, telephone number, and location, as well as any pertinent information (such as suspect and vehicle description, direction of travel, etc.). Always stay on the line until the dispatcher ends the call. Sacramento State does have anonymous or confidential reporting programs.

All reports will be investigated. The University does not have procedures for voluntary, confidential reporting of crime statistics. Violations of law will be referred to law enforcement agencies and, when appropriate, to the Office of Student Affairs for review. Prompt and accurate reporting of crime is encouraged, but when a victim of crime elects to or is unable to make such a report, assistance will be provided to the victim.
Working Relationships with State & Local Police
The Sacramento State Police Department focus enforcement and prevention efforts in our primary jurisdiction to include all property owned and operated by the University. The Sacramento State Police Department shares concurrent law enforcement jurisdiction with federal, state and local law enforcement agencies on all adjacent public streets, areas, and in communities surrounding the University.
properties. The Sacramento State Police Department cooperates fully and regularly communicates with its law enforcement partner agencies. Sacramento State maintains operational agreements/memorandums of understanding with the City of Sacramento Police Department that comply with the Kristin Smart Campus Safety Act and Higher Education Opportunity Act clarifying that the Sacramento State Police Department is the primary law enforcement agency for all crimes occurring on Sacramento State properties or facilities.

Criminal Activity Off-Campus
In accordance with mandated reporting requirements, information concerning the monitoring and recording of any criminal activity in which students have engaged, at off campus locations and/or within student organizations that are officially recognized by the University, are gathered from local police agencies that may include any City, County, State, or Federal agencies that may have relevant information.

Many students live in the neighborhoods surrounding Sacramento State. While the Sacramento Police Department has primary jurisdiction in all areas off campus, Sacramento State Police Officers can and do respond to student-related incidents that occur in close proximity to campus. Sacramento State Police Officers have direct radio communications with the city police, fire department, and ambulance services to facilitate rapid response in any emergency situation.

Crime statistics are also collected from law enforcement agencies with concurrent law enforcement jurisdiction or jurisdiction surrounding Sacramento State, and off-site properties or facilities owned or utilized by the university. These law enforcement agencies provide crime statistics they have collected for crimes occurring in the on-campus and non-campus properties, and public property surrounding on campus property as defined in the Clery Act. Sacramento State has two fraternity and sorority houses off campus that are privately owned by the organizations and crime statistics are collected from local law enforcement agencies for these locations. In addition, annual statistics are provided to the Sacramento State Police Department by both Housing and Student Organizations and Leadership. Sacramento State is in the process of writing a policy to document its protocol for collecting/reporting the annual disclosure of crime statistics.

Crimes occurring off campus should be immediately reported to the appropriate law enforcement agency of jurisdiction:
- City of Sacramento Police Department (916) 264-5471
- California Highway Patrol (916) 861-1300
- Sacramento County Sheriff’s Department (916) 874-5115

SPECIAL SAFEGUARDS FOR FACILITIES OR ACTIVITIES

Facility Access and Security
It is the practice of Sacramento State that University buildings be opened prior to the beginning of the business day and locked nightly after the conclusion of the last scheduled event. A daily schedule is provided to Facilities Services and buildings are locked on the basis of that schedule. Custodial Services and Community Service Specialists are responsible for the unlocking of buildings on a daily basis for scheduled classes. After buildings are locked, only employees with offices and personnel with maintenance responsibilities have access to buildings. Facilities Services maintains the University buildings and grounds with concern for security and safety. Campus facilities and grounds are inspected on a regular basis to ensure that broken windows, locks, and repairs are made in an expeditious manner. The Sacramento State Police Department also receives the information from the campus community regarding damaged roadways, overgrowth of shrubbery, and other areas in need of repair. This information is forwarded to Facilities Services in a timely manner.

Access to University housing buildings is limited to residents, their guests, and selected staff. Sacramento State’s Residence Hall policy requires that exterior doors be locked at all times, including holidays and semester breaks. All residents are issued a key fob for personal access to the exterior doors and restrooms and a resident must accompany all guests. The Residential Community is patrolled cooperatively by the Sacramento State Police Department and on-duty Residential Life personnel, to include Resident Advisors and Residential Life Coordinators.

Lighting surveys are conducted annually so that improvements can be made to various locations on campus. Anyone aware of a hazardous situation in any building or on the campus grounds can notify Facilities Services at (916) 278-6242 or the Sacramento State Police Department at (916) 278-6000 so repairs can be made promptly. All emergency “blue-light” telephones are checked by the Sacramento State Police Department and logged each semester. A log is kept reflecting the date the phones were tested. Additional information is contained in the Guide to Residential Life available through the Office of Residential Life in Sierra Hall. The Sacramento State Police Department worked with the American River Courtyard planning group on physical security for the new facility. The new American River Courtyard residence hall opened in August, 2009. Similar measures are being undertaken for the residence hall expansion that is scheduled to open in the fall of 2017. Sacramento State is in the process of writing a policy to document its protocols for facility access and security.
SECURITY AND CRIME PREVENTION PROGRAMS

Crime Prevention Programs on personal safety and theft prevention are sponsored by various campus organizations throughout the year. Sacramento State Police Department personnel facilitate programs for student, parent, faculty, and new employee orientations, student organizations, community organizations, in addition to programs for Residential Life Housing Resident Advisors and residents providing a variety of educational strategies and tips on how to protect themselves from sexual assault, theft and other crimes. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

Crime prevention and personal safety information and pamphlets are available at the Sacramento State Police Department and on the Sacramento State Police Department website (http://www.csus.edu/aba/police/). The Student Health Center, Counseling and Psychological Services (CAPS), and Residential Life, also maintain related information and pamphlets and this information can also be located in various student and staff publications throughout the campus.

New Student and Employee Orientations
The University has developed an annual educational campaign consisting of presentations that include distribution of educational materials to new students and participating in and presenting information and materials during new employee orientation.

Sacramento State Police Officers provide personal safety tips and emergency contact information to new students and employees on a regular basis. They are informed of policies, voluntary confidential crime reporting procedures, and safety programs. Employees are also informed of injury and illness prevention, and workplace violence.

Timely Warnings & Emergency Notifications
To keep the campus community informed about safety and security issues on an ongoing basis, the University complies with the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC 1092) and Code of Federal Regulations 668.46 ("Clery Act"). The University will alert the campus community of certain credibly reported crimes or other types of emergencies that are happening or about to happen in a manner that is timely or immediate in order to promote campus safety and aid in the prevention of crimes. All suspicious or criminal activity should be reported as soon as possible to the University Police Department. The policy is necessary to establish clear guidelines for issuance of Timely Warning Notices and Immediate/Emergency Notification. (http://www.csus.edu/umanual/admin/ADM-0142.html).

ENS informs the campus community in a variety of ways, including text, voice mail and email messages about incidents that may be an immediate danger to faculty, staff, students and campus visitors. The alerts are used in the event of an emergency that threatens the campus community’s health and safety, and to provide protective action recommendations.

The ENS Program is just one part of a variety of ways the Police Department informs the campus community of emergencies.

Crime Reporting
The University and the Sacramento State Police Department encourage the prompt reporting of any incident that compromises the safety, health, or rights of University community members. Always report any suspicious activity or individual immediately. The Department is here to help you. The sooner you report, the sooner an officer can respond and assist. Even if you are unsure a crime has been committed, don’t hesitate to call. The Sacramento State Police Department is open 24 hours-a-day, seven days a week so you can call or come in to the department to report a crime. Reports of criminal activity will be fully investigated, and appropriate referrals made to the courts, the University, or both.

Emergency Training and Exercises
The Sacramento State Police Department provides Emergency Response training courses throughout each academic year, including Building Team Emergency Preparedness, Campus Emergency Disaster Preparedness, Campus Clery Training, Active Shooter Training, Violence in the Workplace Prevention, and Self-Defense and Personal Safety Training.

Current information on campus incidents, emergency protocols, statistics and training opportunities are available on our department webpage (www.csus.edu/police), on our Facebook (www.facebook.com/sacstatepolice), and on our Twitter (www.twitter.com/sacstatepolice).

The Police Department hosts a regional table-top exercise each year to test the response of campus departments and allied agencies on a variety of scenarios, including Hazardous Materials Spill (2013), Flood (2014), Active Shooter (2015) and Pandemic Virus (scheduled for 2016). Furthermore, Building Evacuation Drills are required annually for each campus building.
Emergency Blue-Light Phones

Emergency telephones are located throughout the campus primarily within building hallways, the parking structures, and in parking lots. These phones are blue. When a phone is picked up or activated, you will be immediately connected to a dispatcher at the Sacramento State Police Department. The phones are tested at least once a semester to ensure functionality (See Emergency Blue-Light Phones Map below.)
Hornet Night Shuttle
University Transportation and Parking Services offers a Hornet Night Shuttle service which operates only on the Sacramento State campus. Night Shuttle provides service to all on campus locations, including Lot 11 at the north end of the campus. Hours of operation are Monday through Thursday from dusk to 11:00 p.m. Request a Hornet Night Shuttle by dialing (916) 278-7260.

Hornet Safety Escort Services
The Sacramento State Police Department offers a Hornet Safety Escort service in the evenings wherein our Community Service Officers work both on foot and in carts to provide escorts across campus. Request a Hornet Safety Escort by dialing (916) 278-6000. Transportation will be provided based on the availability of police personnel.

Safe Rides
The program is sponsored by the Associated Students, Inc., and is designed to assist students who have been consuming alcohol to secure rides back to their residence to avoid driving while under the influence. Safe Rides operates from September through May on Wednesday–Saturday nights from 10:00 p.m. to 2:00 a.m. Request a Safe Ride by dialing (916) 278-7923 (a valid OneCard is required).

Community Service Officer Program
The Community Service Officer section of the Sacramento State Police Department performs a wide variety of duties in support of the mission of the department. The duties can range from speaking to incoming freshman about “crime prevention,” conducting resident hall security, or patrolling the campus for security violations and hazards. Regardless of the assignment, however, Community Service Officers are always present as resources for the community and act as “eyes and ears” for the Sacramento State Police Department.

Police Service Center
The Police Service Center is located in the University Union and is a convenient police point of presence for students, faculty and staff. The Sacramento State Police Department opened the center in order to increase our ability to serve you, our community, in a location that is more accessible and visible. Our Service Center staff can help you register your bicycle, assist you with public safety services, provide current safety information and answer questions you might have about the campus. Contact the Police Service Center for more information by dialing (916) 278-2788.

The Sacramento State Police Department has Lost and Found & Live Scan Fingerprinting Services which are located in the Police Service Center located in the University Union. The hours of operation are Monday–Friday from 8:30 a.m. to 12:00 p.m. and 1:00 p.m. to 4:30 p.m. Walk-ins are accepted or setup an appointment by dialing (916) 278-2788.

**ACTIONS IN THE LAST 18 MONTHS TO INCREASE SAFETY**
1. We purchased 3 new golf carts for our Hornet Safety Escort Program. These carts assist in providing safety escorts to students, faculty, staff and guests in the evenings.
2. Installed new surveillance cameras and repaired existing cameras around the campus.
3. Repaired and replaced numerous Emergency Blue-Light Phones on campus.
4. Provided Active Shooter training, Building Coordinator/Floor Marshal training, Campus Disaster/Emergency Preparedness training, Self-Defense training and Violence in the Workplace training.

**CHANGES IN SAFETY PRECAUTIONS DURING THE NEXT 24 - 48 MONTHS**
1. New card access for buildings, classrooms, and offices to replace existing key lock features. This will allow for quicker lock down.
2. Evaluate requests for new surveillance cameras on campus.

The Uniform Crime Reporting (UCR) Program divides offenses into two groups, Part I and Part II crimes. Each month, contributing agencies submit information on the number of Part I offenses known to law enforcement; those offenses cleared by arrest or exceptional means; and the age, sex, and race of persons arrested for each of the offenses. Contributors provide only arrest data for Part II offenses.

The UCR Program collects data about **Part I** offenses in order to measure the level and scope of crime occurring throughout the Nation. The Program’s founders chose these offenses because they are serious crimes, they occur with regularity in all areas of the country, and they are likely to be reported to police. The **Part I** offenses are: Criminal Homicide, Forcible Rape, Robbery, Aggravated Assault, Burglary, Larceny-Theft, Motor Vehicle Theft, and Arson. The **Part II** offenses, for which only arrest data are collected, are: Other Assaults (Simple), Forgery and Counterfeiting, Fraud, Embezzlement, Stolen Property (Buying, Receiving, Possessing), Vandalism, Weapons (CARRYING, Possessing, Etc.), Prostitution and Commercialized Vice, Sex Offenses, Drug Abuse Violations, Gambling, Offenses Against the Family and Children, Driving Under the Influence, Liquor Laws, Drunkenness, Disorderly Conduct,
Vagrancy, All Other Offenses, Suspicion, Curfew and Loitering Laws (Persons Under Age 18), and Runaways (Persons Under Age 18). Sacramento State submits crime reports to the California State UCR program. State UCR Programs then forwards data, using uniform offense definitions, to the FBI UCR Program.
