ChargePoint
EV Charging Stations

- Click this link to create an account: www.chargepoint.com/.
- Located in Parking Structure 5 (PS5), floors 1-5.
- A Sac State parking permit IS NOT required while charging here.
- Vehicle MUST BE actively charging. Vehicle may incur a parking citation if not actively charging.
- Fees: $1/hr for first 4 hours. After that, $10/hr for next 4 hours.
- All charging stations in structure are open for everyone to use no matter the area designation (Employee, Student, Resident).
- Charging spaces ARE NOT parking spaces. EV/Carpool parking spaces in PS5 are available along the west side on all floors. A Sac State permit IS required in these spaces.

PayByPhone
EV Charging Stations

- Click this link to create an account: www.paybyphone.com. NOTE: You will need your license plate number for the registration process. If you have a new vehicle with no license plates, enter the last seven digits of the VIN in place of the license plate number. IMPORTANT: When you receive your plates, update your profile.
- Located in Lot 1D, PS1 1st floor and PS2 1st floor.
- A Sac State permit IS required while charging.
- Vehicle MUST BE actively charging. Vehicle may incur a parking citation if not actively charging.
- Each charging station has a unique 4-digit Location Number. (See actual campus example below.) Enter the Location Number on the app.
• You will receive an 8-digit code followed by the pound sign. (See screenshot below.). Enter this code and pound sign on the charging station’s numeric keypad to begin charging.

• Fees: $1 for 4-hour charging session.
• Charging spaces ARE NOT parking spaces. Vehicle must be moved when not actively charging.
