In-Person

- Instruction Mode: P
- Course Attributes: Should not have any eLearning except for Web assist. Web assisted is any course on campus that requires the use of the web. Some people choose to use and others do not-with technology today, the assumption is that the student will require some technology
- Meeting Pattern: “Facility ID” will be a facility on campus, field, off campus and or TBA ARR or ARR.
- APDB Learning mode: 09

Herky Flex, HyFlex, Blended, Hybrid

- Instruction Mode: K, F, B, H
- Course Attributes: HYBRID (Online & In-Person)
- Meeting Pattern: Facility ID will be a facility on campus, field, off campus and or TBA ARR, ARR on the first meeting pattern. Second meeting pattern will be “Webonline” in facility ID for Asynchronous and “Webonline” with days and times for Synchronous
 - Note: Asynchronous – NO ARR, this suggests arranging mtg time in person, no days ticked and no times ticked
 - Note: Synchronous – Cannot just tick a day with no times, as well as ticking times with no days – MUST have both
- APDB Learning Mode: 05 for Asynchronous, 06 for Synchronous
- Please note: if there are any mtg times and days in person, they ALWAYS appear first no matter if the class is ONLINE.

Online Synchronous

- Instruction Mode: S
- Course Attributes: FL (Fully Online) or (OL) Online
- Meeting Pattern: Facility will be “Webonline” , there will be times and days
- APDB Learning Mode:
 - 02 for no mtgs in person, orientation, midterms or finals
 - 04 allows for mtgs in person for orientation, midterms or finals

Please note: if there are any mtg times and days in person, they ALWAYS appear first no matter if the class is ONLINE.

Online Asynchronous

- Instruction Mode: A
- Course Attributes: FL (Fully Online) or (OL) Online
- Meeting Pattern: Facility will be “Webonline”
- APDB Learning Mode:
 - 01 for no mtgs in person, orientation, midterms or finals
 - 03 allows for mtgs in person for orientation, midterms or finals
- Please note: if there are any mtg times and days in person, they ALWAYS appear first no matter if the class is ONLINE.

Synchronous/Asynchronous Hybrid

- Instruction Mode: S, A
